**Subject:** Questions & Answers - RFP #04082019-ETLDEV (Addendum)

---

1. Can submit a new candidate for the Senior DataStage ETL Developer position by July 10th, 2019?

[Answer: Resume submission deadline for Data Analyst with ETL Expertise is July 10<sup>th</sup> 2019. See addendum for revised Mandatory Skills and Preferred Experience.](#)

2. Have the previous submissions been rejected?

[Answer: Yes.](#)

3. Would you please confirm whether we should resubmit the previous candidates again or all new candidates need to be submitted?

[Answer: All previously submitted candidates are ineligible for consideration. Please submit new candidates for Data Analyst with ETL Expertise.](#)

4. Would you please confirm whether we have to resubmit all attachments A-G or just candidates' resumes and references?

[Answer: Yes, please complete all attachments and resubmit.](#)

5. Would you also please let us know what is the reason behind the resubmission?

[Answer: The previous submissions have been rejected. See addendum for revised Mandatory Skills and Preferred Experience for Data Analyst with ETL Expertise.](#)

6. Any possibility for the interview via Skype?

[Answer: No](#)

7. Can you help me understand what in the addendum makes the submitted candidate ineligible? Sorry I could not find what was being referred to in the email.

[Answer: See Answer to Question #5](#)

8. So the 2 candidates we submitted cannot be resubmitted we have to get 2 new ones?

[Answer: That is correct.](#)
