D. EVALUATION AND CONTRACT AWARD

1. Evaluation Procedures

All proposals accepted by NYCERS will be reviewed to determine whether they are responsive or non-responsive to the requisites of the RFP. Proposals that are determined by NYCERS to be non-responsive will be rejected. NYCERS' Evaluation Committee will evaluate and score all remaining proposals based on the Evaluation Criteria prescribed below. The highest rated candidates will be selected for an interview at NYCERS.

The proposed candidates must be eligible to work in the USA for the entire time of the contract.

Candidates selected by the panel must attend an approximately one (1) hour interview on site at NYCERS' Brooklyn, NY office within five (5) business days of notification. During the interview, candidates will be asked to explain in detail how their experiences meet NYCERS' skill requirements set forth in Section A. The panel will score the candidates based on the interviews and make a recommendation for final selection. To assess the Candidate's English writing proficiency, the Candidate may be required to perform a writing exercise as part of the interview. **Telephone and Skype interviews will not be permitted.** NYCERS will not be responsible for any travel costs in connection with the interview. NYCERS may elect to disqualify a Candidate that is not available for interview within five (5) days of interview notice. In addition, a Candidate will be disqualified if the proposed Candidate fails to appear for a scheduled interview. Disqualification of a Candidate proposed by a Vendor does not automatically disqualify the second Candidate proposed by the same Vendor.

Discussions may be conducted with Vendors submitting acceptable proposals and the panel may request a Best and Final Offer. However, NYCERS reserves the right to award the contract on the basis of the initial proposals received, without discussions. Therefore, the initial proposal should contain its best terms.

2. Evaluation Criteria

The proposal must include a Candidate Proposal submission and a Cost Proposal submission. The Cost Proposals will be opened and evaluated after the highest rated Candidates have been interviewed by the Committee. The criteria and weight assignments are as follows:

Experience with required software.	15%

Rating	Points

Fails to Meet Standards	1
Meets Standards	2
Exceeds Standards	3
Exceptional	4

3. Basis of Award

A contract will be awarded to the responsive and responsible proposer whose proposal is determined to be the most advantageous to NYCERS and the City of New York, taking into consideration the price and such other factors or criteria that are set forth in this RFP.

NYCERS reserves the right to evaluate and/or reject all bids, in whole or in part, and to waive or modify technicalities, irregularities, and omissions, or solicit new proposals if, in NYCERS’ judgment, the best interest of NYCERS will be served. Following bidding selection and prior to signing a contract, NYCERS reserves the right to further negotiate cost or other specifics. In the event any proposer is not available to report for his/her assignment, NYCERS reserves the right, at its sole discretion, to evaluate a replacement candidate from the selected proposer or seek the services from the proposer with the next highest Final Composite Score.

Vendors are notified that the prices stated in their proposals are irrevocable until the contract is awarded, unless the proposal is withdrawn, and that offers may be withdrawn only after the expiration of 90 days from opening and only in writing received by NYCERS in advance of

the award. If applicable, NYCERS may request a cost breakdown of the proposed price.

To the fullest extent permitted by law, the Contractor shall defend, indemnify, and hold harmless NYCERS and the City, including their respective officials, trustees, and employees, against any and all claims (even if the allegations of the claim are without merit), judgments for damages, and costs and expenses to which NYCERS, the City, or their respective officials, trustees, or employees, may be subject to or which they may suffer or incur allegedly arising out of any infringement, violation, or unauthorized use of any copyright, trade secret, trademark or patent or any other property or personal right of any third party by the Contractor and/or its employees, agents, contractors, or subcontractors in the performance of this Agreement. To the fullest extent permitted by law, the Contractor shall defend, indemnify, and hold harmless NYCERS, the City, and their respective officials, trustees, and employees regardless of whether or not the alleged infringement, violation, or unauthorized use arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or law relating to any of the foregoing would preclude NYCERS, the City, and their respective officials, trustees, and employees from being completely indemnified by the Contractor, NYCERS, the City, and their respective officials, trustees, and employees shall be partially indemnified by the Contractor to the fullest extent permitted by law.

7.5 Indemnification Obligations Not Limited By Insurance Obligation

The Contractor's obligation to indemnify, defend, and hold harmless NYCERS, the City, and their respective officials, trustees, and employees shall neither be
(i) limited in any way by the Contractor's obligations to obtain and maintain insurance under this Agreement, nor (ii) adversely affected by any failure on the part of NYCERS, the City, or their respective officials, trustees or employees to avail themselves of the benefits of such insurance.

ARTICLE VIII. CONFIDENTIALITY

8.1 The Contractor agrees to hold confidential, both during and after the completion or termination of this Agreement, all of the reports, information, or data, furnished to, or prepared, assembled or used by, the Contractor under this Agreement ("Confidential Information"). The Contractor agrees that Confidential Information shall not be made available to any person or entity including but not limited to any agencies or employees of the City of New York without the prior written approval of NYCERS. The Contractor agrees to maintain the confidentiality of Confidential Information by using a reasonable

degree of care, and using at least the same degree of care that the Contractor uses to preserve the confidentiality of its own confidential information. In the event that the Confidential Information contains social security numbers or other Personal Identifying Information, as such term is defined in Paragraph B of Section 5.08 of Appendix A, the Contractor shall utilize best practice methods (e.g., encryption of electronic records) to protect the confidentiality of such Confidential Information. The obligation under this Article VIII to hold Confidential Information confidential shall not apply where NYCERS would be required to disclose Confidential Information pursuant to the State Freedom of Information Law (“FOIL”), provided that the Contractor provides advance notice to NYCERS, in writing or by e-mail, that it intends to disclose such Confidential Information and NYCERS does not inform the Contractor, in writing or by e-mail, that such Confidential Information is not subject to disclosure under FOIL.

- 8.2. The Contractor shall restrict access to Confidential Information to persons who have a legitimate work-related purpose to access such information. The Contractor agrees that it will instruct its officers, employees, and agents to maintain the confidentiality of any and all Confidential Information.
- 8.3. At the request of NYCERS, the Contractor shall return to NYCERS any and all Confidential Information in the possession of the Contractor or its subcontractors. If the Contractor or its subcontractors are legally required to retain any Confidential Information, the Contractor shall notify NYCERS in writing and set forth the Confidential Information that it intends to retain and the reasons why it is legally required to retain such Confidential Information. The Contractor shall confer with NYCERS, in good faith, regarding any issues that arise from the Contractor retaining such Confidential Information. If NYCERS does not request such Confidential Information, or the law does not require otherwise, such information shall be maintained in accordance with the requirements set forth in Section 5.02 of Appendix A.
- 8.4. For the avoidance of doubt, the Contractor shall abide by all confidentiality provisions set forth in Appendix A.
- 8.5. The Contractor shall abide by all confidentiality provisions set forth in the IT Consultant Nondisclosure Agreement, which is attached hereto as Exhibit 4.
- 8.6. A breach of this Article VIII shall constitute a material breach of this Agreement for which NYCERS may terminate this Agreement pursuant to Article 10 of Appendix A. NYCERS reserves any and all other rights and remedies in the event of unauthorized disclosure.
- 8.7. For purposes of this Article VIII and Section 5.08 in Appendix A, the term Contractor shall include the IT Consultant.
